1 A. I will have to check. It does not have a
2 revision date on it. This is the form that is approved
3 by the Secretary of State, so I will have to check and
4 see when the last revision was.

5 **Q. Does this -- this does not have a form number**
6 **associated with it since it's the Secretary -- it's**
7 **created --**

8 A. The only form number that's referenced is up
9 at the top under the dark Texas voter registration
10 application, the VR-64.

11 **Q. Is that what DPS refers to this form as,**
12 **VR-64?**

13 A. In most of the conversations we don't refer to
14 the form number. We refer to the voter registration
15 application. So I would have to check and see if that's
16 how they order it by.

17 **Q. So this document, is it -- does it accompany**
18 **every time -- does it accompany the renewal application**
19 **eligibility form that DPS sends out?**

20 A. The only time this is sent out is with the
21 mail renewal application. If it is the mail renewal --
22 or not -- sorry, not the mail renewal. If it's the
23 renewal notification telling them to go into the driver
24 license office , there's not a form that's sent out with
25 that.

1 **Q. When does a customer receive a mail renewal**
2 **notice versus a mail renewal application form?**

3 A. So you are required if you're a -- well, if
4 you're a noncommercial driver or an identification card
5 holder, you are eligible to renew by mail or online
6 every other application. So once every 12 years. And
7 there is certain criteria. There's certain restrictions
8 that keep you from being eligible. And you have to be a
9 citizen, and we have to have your social security number
10 on file in order for you to be eligible to renew by
11 mail.

12 **Q. Why does DPS send a voter registration**
13 **application along with a mailed renewal notice?**

14 A. Because it provides the -- it's part of the
15 application process, and it provides the customer the
16 opportunity to register to vote.

17 **Q. Why is it a separate form from the mail**
18 **renewal form that DPS sends?**

19 A. This is the process that has -- is in place,
20 and it is part of the approved plan between the
21 Department and the Secretary of State.

22 **Q. When you say "approved plan," who approved the**
23 **plan?**

24 A. The plan was developed between the Department
25 and Secretary of State. I do not know the initial date.
